QUALITY HOME INSPECTIONS BY O'BRIEN HOME INSPECTIONS

With O'Brien Home Inspections, you are choosing a professional home inspector who provides high-quality home inspection services. We take great pride in doing a thorough job and going beyond our clients' expectations.

Buying a home can be exciting, momentous, and meaningful for your client. But it can also be stressful – especially if they are not sure how to gauge the physical condition.

That's where the experts at O'Brien Home Inspections come in. While your client focuses on the home's style, size, layout, price, and neighbourhood, we can take care of evaluating its major systems – like the plumbing, heating, and electrical. Then we'll provide your client with a report to help make the best buying decision possible.

Count on O'Brien Home Inspections to give your client the unbiased, professional opinion you need when you need it.

O'Brien Home Inspections is proud to offer:

- Pre-purchase inspections for home buyers
- Pre-listing inspections for home sellers
- Condo inspections
- Maintenance inspections
- Swimming pool inspections
